## Kaye Daynes: God's good helper!

**And ours!** Kaye Daynes went to Glory and left so very many friends behind. She was truly a pillar of her Church and a great supporter of Wordnet and Catholic Television. Probably no one has attended tapings here as much as Kaye. She would sip her coffee and watch the interviews as they took place. Then she would catch them again when the programs were aired on TV.

Just outside the Cathedral in San Bernardino, there is a special place marked "Kaye's Corner." People coming out of Mass would find her there selling (or *giving away!*) flowers, fruit, pamphlets and anything else people would give her for distribution. Whatever she earned was for "her church!" Flowers were her great love and it was Kaye who supplied them for the altar for Easter and Christmas especially.

Kaye was a WW II veteran. She lost two brothers during the war; one on the Bataan death march. Following his demise, Kaye signed up to take his place as best she could for the duration. They even named a plane after her! The "KATHRYN ANNE!"

She was a giving soul all her life. She was attached to nothing and if anyone wanted anything she had, she couldn't give it away fast enough. "You only take with you what you gave away" goes the saying. That being the case, Kaye arrived in heaven with far more than she could carry.

But Kaye didn't end her support and kindness there. Following her leaving us, Wordnet was notified that Kaye had left an annuity to continue her support.

"Well done, good and faithful servant! He who sees the many good things done in secret will be your best reward." God bless Kaye! ☺

**Annuities offer a guaranteed source of income with better interest rates than those offered by the banks. They also provide substantial tax incentives. The older the applicant, the higher the percentage of interest. Dividends are paid quarterly.**

Starting in 2010 our *iGod Today* app for the mobile devices was launched as a new way to use the airwaves. **Circles the Globe**

Father Mike initialized this new venture with a 2-3 minute meditation on the Mass readings of the day. Since then the viewership has reached over 80 countries from Alaska in the USA to Zimbabwe in Central Africa. There is an average of 10 to 11 thousand “hits” a month and the number is steadily growing. Joining Father Mike in this new apostolate are several young volunteers from Hollywood as well as the staff here in the Studio. Each presenter provides a unique meditation for the day and the response has been very favorable.

The total hits to date number over 250,000 and constitutes a great example of the power of media in spreading the gospel of love and hope. ☺

Estate Tax and Gift Exemptions

Under current law an individual can transfer up to \$5 million to family or others free of federal state and gift tax. If Congress does not act, that amount will decrease to \$1 million beginning next year. This is a prime year to think about a charitable trust that will help Wordnet while providing excellent income to family members and loved ones. ☺
