*"And this gospel of the kingdom shall be
preached in all the world for a witness unto all
nations." Mt 24:14*

Congress has brought back the
Charitable IRA rollover. Through and
until the 31st of December, 2013,
anyone 70½ or older can transfer up to \$100,000
tax-free from their IRAs to eligible charities like
WORDNET PRODUCTIONS.

Any amounts distributed **DIRECTLY** to charity by your IRA administrator will not be included in your taxable income and will count towards this year's required minimum distribution. So, for maximum tax savings, you might want to look at this opportunity before taking your 2013 required minimum distribution.

But remember; Wordnet Productions must receive your gift by December 31, 2013, in order to qualify for the tax-free rollover. Interested? Please email us at dev@wordnet.tv or call our Development Office at 1-909-383-4333 ext 109.

(Example: Supposing your required minimum distribution for this year is \$15,000. Let's say you ask your IRA administrator to transfer \$10,000 directly to Wordnet Productions. You will only need to withdraw and report the balance of \$5,000 as taxable income. Or, let's say you donate the entire \$15,000; you will not have to personally withdraw or report any taxable income at all!)

If you are younger than 70½ you cannot take advantage of this now. However, you **CAN** name Wordnet Productions as a beneficiary of your IRA, using your beneficiary designation form. After your lifetime, these assets will pass completely tax-free to Wordnet Productions and its promotion of Catholic Television. ☺

Deborah Ouellette dropped by for an interview with Father Mike about her circuitous faith journey. Deborah and her husband were accompanied by members of their parish. After the event Ms Ouellette sent the following email:

"Thank you also for accommodating my church family. I have been so blessed

Deborah Ouellette and Fr Mike to have been called back to the Catholic Church and to a Parish where the Body of Christ really lives. The parishioners are such role models to me. They were all so grateful to be there and said it was "a once in a lifetime experience." Thanks for having me. Deborah"

Keep an eye out for this show, early in the New Year!!

"I loved the iGod episode on gratitude, which hit me in a unique way. I love how God works when he is unique and creative in sending a message at just the right time. After watching the episode, I've realized I don't thank God nearly enough (nor the people he sends my way to help). I need to remember that a thankful heart is indeed a loving heart. Thank you."--An iGod TODAY subscriber
