

WORDNET PRODUCTIONS

Embracing the transforming power of the Gospel, Wordnet Productions communicates the Word of God to all people through media in the spirit of the Society of the Divine Word

WORDNET BLASTS OFF INTO CYBER SPACE!!

Things are changing here at Wordnet Productions, as we begin to embrace social

media on a whole new level of expertise. Our recently hired guru, Daniel Morando, has brought fresh and innovative ideas that will enable Wordnet to reach the masses through the **World Wide Web**.

Daniel has revised and “officialized” our **Facebook** page, where you can learn about Wordnet, browse pictures and videos, and keep abreast of the latest Wordnet happenings.

He has also updated our **Twitter** account, where viewers and bloggers can 1) keep up with Wordnet as things happen and 2) write to us with comments and suggestions.

Much of Wordnet’s video catalogue is now viewable on our **YouTube** page, (“Wordnet Continue on page 2.....”

We received an interesting phone call today, May 2, from Uganda! Lilian called to say that she was really touched by our production - The Samaritan Woman. She has been going through so much, is in lots of pain. After listening to the show, she felt really healed and filled with happiness. She just needed to tell us! She also asked for prayers to be completely healed since she is not stable yet. Behold, the power of media from California to Uganda! Behold the power of prayer!! ☺

Use your phone to scan the QR code at left for information on iGod TODAY App now!

“Thank you for this beautiful app. As a lapsed Catholic who has returned home after 25 years, the app and in particular the daily talks has helped me grow in my faith. It’s not easy but media such as this app is so valuable in evangelizing. God bless you, Father Mike, and the iGod team.”

Productions”) now updated and enhanced. The Wordnet audience is expanding geometrically into a world-wide Catholic community. All of this growth allows us to market ourselves and thus stretch donations as far as possible.

Our **iGod TODAY** app, available on the iPhone and Android, provides daily scriptural reflections on the readings of the day and now boasts 14,000 hits a month from Alaska to Zimbabwe.

June 14th, this year will see the birth of our newest venture: a **Wordnet Web Channel** 24/7 on the Internet! Our large archive of past television shows will be augmented by the development of new programs.

The studio is also inviting other ministries to join us and take on their own slots highlighting the work they are doing in the Lord’s vineyard. Being online, Wordnet and these other ministries will be able to reach out to viewers and fans quickly, enabling them to be actively engaged with us, with you, with the Church and with the world at large.

Wordnet’s plan is to monitor our fan base, and create content suited specifically to certain types of demographics. All this and more can now be gained by our embrace of social media which the great Mediator has laid at our disposal.

Welcome aboard, Daniel. Thank you for becoming part of this great adventure and thank you for sharing your expertise with us Luddites in social media. ☺
