TWO EXCITING PROJECTS

Wordnet has received two grants to produce two DVDs for promoting vocations to religious life.

One, (handed on to us from NCCV) centers around the role of parents and family in encouraging church ministry vocations. Recent research has revealed how important family life is in fostering religious vocations. Three sets of California parents were interviewed in August at our studio for this project.

The other DVD is the second in our series on vocations for women religious; ***Jesus Calls Women*** was the first. This one will explain and illustrate how women religious live out their vow of consecrated celibacy. In our sex-

saturated society, this documentary may stand out in positive contrast to the norm!!

Once again, our wonderful Pennsylvania donor, Larry Jilk, has given initial funds for these projects. We are hopeful that others, including foundations, will support these projects as well.

IRA ROLLOVERS*

Please consider Catholic Television for an IRA and take advantage of the Pension Protection Act extended once again for this year. Make **WORDNET PRODUCTIONS** the secondary beneficiary, after your spouse. In this way it is possible to make a bequest without affecting your estate plan. For those with large estates, passing an IRA to heirs can subject them to multiple taxes, which can eat up as much as 70% of the value of the IRA. By leaving it to **WORDNET**, 100% goes to charity as a nonprofit not subject to tax.

* An IRA charitable rollover is money that individuals, 70-1/2 years or older, may direct from their traditional IRA to eligible charitable organizations. Call us at 1-888-496-7363.
