## Every Baby a Miracle!

**If you love Jesus, you have to love life. As followers of Jesus, we have to make sure life in the womb and life outside the womb are protected.**

**Fr. Mike has interviewed Lutheran Pastor Jason Kilian who believes “every baby is a miracle.” Pastor Kilian is involved with Assure Pregnancy Clinic which has two branches in southern California. (Fontana and Montclair.) These clinics offer support for the mother and child after the birth. The**

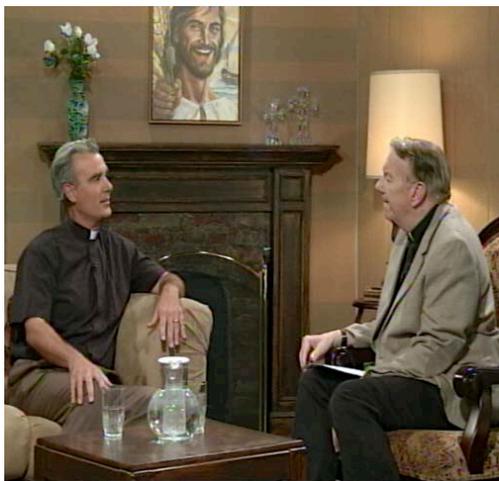

**Pastor’s statistics include the fact that at two weeks, there is a heartbeat and at ten weeks the infant’s feet are defined. Seventy-five percent choose abortion without knowing all the facts.**

**They also talked about the after effects of sadness and depression that often accompany an abortion, as well as other physical, mental and emotional outcomes. The Pastor is careful to explain that their mission was not to condemn the person but to offer help to the expectant mothers.**

**There are two segments in this program. Lori Bryant, who is in charge of Community Education at the clinic, explains why some women choose abortion and how this decision is often made in time of crisis. The Clinic offers education for the woman, her parents and the father, all of whom can influence the decision.**

**The program also includes statements from Kirk Bauer, CEO of Assure Pregnancy Clinic. He explains that the Clinic offers pregnancy consultation free of charge to anyone in need, including a lab-quality pregnancy test and ultrasound for confirmation. Educational, emotional and spiritual support services are also provided by a caring and compassionate staff. ☺**

## ANDY CLAY! WHADDA GUY!

Fr. Mike Manning, SVD

Andy Clay was a wise, gentle religious man. He had the deep and wonderful gift of caring for anyone who came into his life. Hospitality was his hallmark. And he was a man of deep love for his wife Dorothy and their children. Their home became a welcome place for anyone who was struggling or needed support. I remember lively and spiritually moving home Masses in their living room. Andy's love of Jesus was not mere words but something he lived day in and day out.

One time, when I was a director of vocations, he offered me a van he had just purchased to bring prospective seminarians to our college in Iowa. Unfortunately on the trip home from Iowa, in the middle of the night, we ran into a deer. The front of the van was terribly smashed. I remember coming back to deliver the van "with my tail between my legs" fearing Andy would be very upset. What was so fascinating was his concern if anyone was hurt and not caring at all about the condition of his van.

That was Andy, generous to a fault! I'm happy to say that he and Dorothy were strong and constant supporters by prayer and donations to our work in television and the Internet. I am confident now that we can turn to Andy in heaven and ask him to go to Jesus for us and bring blessings on our ministry. Thank you, Andy. ☺
