Sharing God's Love Through Media

Father Mike welcomes Father Biju Thomas, SVD

Join us in welcoming Wordnet Production's new staff member! Father Biju Thomas, SVD, was ordained in 2004 as a member of India Mumbai Province. Father Biju worked in different institutions as co-pastor, administrator and media trainer. After completing his Masters Degree in communications, Fr. Biju was assigned to the SVD communication center in Mumbai. Later he was assigned to the Catholic Bishop's Conference of India in the same capacity. The Superior General has now transferred Father Biju to assist Wordnet Productions in its media activities where he is welcomed most warmly. St Paul answered a dream from the Macedonians to "Come over and help us!" Biju comes to us in a similar capacity. Welcome, Biju, indeed. "Ad multos annos!!" ☺

"To give money away is an easy matter and in anyone's power; but to decide to whom to give it, and how large and when, and for what purpose and how, is neither in everyone's power, nor an easy matter. Hence it is that such excellence is rare."

THOUGHT FOR THE DAY!

"I believe we have a problem with narrative," noted John Allen. "In the West, we are conditioned to think of Christianity as an all powerful, all controlling, wealthy, vastly influential social institution, which makes it very difficult for ordinary Americans to get their minds around the idea that Christians can actually be the victims of persecutions."

"The demographic and practical truth is that the typical Christian in the world today is not an affluent American male pulling up to Church is a Lincoln Continental," Allen said. "The typical Christian in the early 21st century is a poor woman of color and mother of four in Botswana or a poor Dalit grandmother in Orissa."

*John Allen is a well known reporter on Church Affairs with the **Boston Globe** newspaper. He was the guest speaker at the Golden Jubilee of the SVD seminary in the Philippines, and has appeared as a guest on our show with Father Mike. He is prescient. Think of our poor brother and sister Christians in Syria, Palestine, Nigeria, South Sudan. There are more Christian martyrs now than those of the early church. (The Harp; April 2014) ☺*
