Padding up the stream in Wordnet's Canoe!

Wordnet Production's new 24/7 web channel goes from strength to strength. Android TV, ChromeCastTV, Amazon Fire TV, as well as Google Play (app) and iTunes (Apple) are all operative for our web streaming channel. Apple TV and Roku will soon be joining the line-up.

Wordnet produced a special dance program presented by well known liturgical dancer John West and team. The dance is based on the story of the raising of Lazarus. John West is a highly acclaimed liturgical dancer who has his workshop and performance every year at the coveted Los Angeles Religious Education Congress. ☺

Wordnet Productions recently filmed a series of programs by a priest and a rabbi. The programs are based on topics relating to both religious communities like prayer, worship, and sacred scriptures. The collaborative venture features Rabbi Hillel Cohn from San Bernardino, and representatives from the American Jewish University in Los Angeles and the Archdiocese of Los Angeles. This series is part of our interfaith dialogue and ecumenical outreach initiative. ☺

"To give money away is an easy matter and in anyone's power; but to decide to whom to give it, and how large and when, and for what purpose and how, is neither in everyone's power, nor an easy matter. Hence it is that such excellence is rare."

PARENTING WITH POWER: The family is in trouble! 50% of marriages end in divorce! Teenagers are having babies!! Many times the major influence on children is from outside the home—rap music—friends—the internet, etc. Listen to Father Martin as he discusses the need for parents who can truly guide their children to become self-reliant adults and explains the five major areas for parenting. 1 CD, 79 minutes. ☺

THE EXODUS EXPERIENCE provides a healing journey for the Divorced, Separated and Widowed. Father notes that Divorce is not just an emotional tragedy but also a financial disaster. I must know that the Lord will hear me and deliver me. "Out of the depths I cry to you, Lord." We must realize that the divorce experience takes a good four or five years for healing. Let Father Martin take you through the five stages from divorce to healing. 1 CD, 66 minutes. ☺
